As there is a general question it may be necessary to Consult the other Dep Commrs also for their Views on Consolidation and the Municipal Councils & their districts Regarding the proposed grant

For orders

Sd 18/3

The Dep Treasurer may perhaps be informed as at A above Asked to take necessary action the case of Others Rlys being considered as Estimates are ready

Jd 18/3

The question raised is a general one in the case of the employees of Municipal Rlys, the interim relief is stated to have been discussed, pending receipt of Govt of India's decision in this behalf Even this result has not yet come up to Govt

In the case of the employees of the Municipal Rlys, the Government has sought Govt of India's decision before the relief out of the funds will be borne separately

In regard to the employees of other Local Boards in the State, it is a point for consideration whether the benefits of the G O may not be extended to them

The other Local Bodies are as follows:

1) Town Port Boards

2) The Improvement & Improvement Trust Boards

3) The City & Cantonment Board

4) The Hindustan Fire Service Cantonment Board

6) The Municipalities in the State

It would take a long time before the resolutions of these local bodies could be obtained & sanctioned. In the meantime, the employees concerned would feel steadily and might resort to unpleasant methods of strike &c. In the circumstances it is a point for consideration if a general order may not be issued, extending the benefits of the above G.O. to the employees of all the local bodies coming under the category mentioned in the said G.O. subject to the conditions set forth therein. It will also be definitely made clear in this behalf that the entire charges will have to be borne by the local body concerned

It is not possible to suggest this, should this strike, it will be mutually unacceptable with the municipalities

and that no grants can be 7655
the Govt to meet any supporting the said charges
for orders, as this course may be will
obviate delay and unnecessary correc.

Rec'd 17/3

Rec'd 17/3/43

A general circular may
perhaps be issued stating that
Govt would be glad if the benefit
of the G. O. is extended to all the
employees under the local boards,
on the specific understanding
that the entire expenditure in
this behalf should be borne
by the local bodies themselves
and that no grant or subvention
would be given by Govt
on this account

What would be the
latter if they
have not sufficient
resources
or adequate
salaries
